

Careers' Activities 2017 to 2018 and current

In addition to our regular focus on Careers' and Information Advice and Guidance for all students via PSHCE, year group activities and enabled by our Careers' Advisers (Adviza), our young people have benefitted/are benefitting from engagement in the following programmes/enrichment and extension activities.

- Year 9 Enterprise Mentoring programme – Bespoke 10 week programme
- Year 10 Enterprise Day – Build up your own business – Slough Urban Renewal – Careers in Construction
- STEM Go4SET – Grundon project – group of Year 8 and 9 students worked on a ten week project promoted by Grundon Waste Management – raise awareness of careers in STEM industries.
- Students won over project that focussed upon 'Energy and your school' – as a reward invited to IET Industrial Cadets Award ceremony in London. All students awarded Bronze cadet status having successfully completed the project.
- PwC Employability skills and careers in the finance sector workshop
- Pathways to Mars – apprenticeship awareness day
- Women in Construction
- Steps to Success – Year 9 students – GCSE and career choices
- Year 9 careers event (annually)
- Inspiring the future – Talk to Year 11 students and parents about apprenticeships
- Guest speaker – BTEC National Business students – International Business
- Guest speaker – Year 12 Photography and Art – Creative Industry
- Girls in STEM conference at Mars
- Year 7 Enrichment Day at Kidzania
- Years 9/10 STEM at Thorpe Park
