

Beechwood School Press Release: Sixth Form Results 2021

Once again, our Sixth Form students at Beechwood School have excelled in their public examinations. We are absolutely delighted to announce a 99% pass rate overall with 100% pass rates being achieved in the following subject areas:

Art
Business Studies
Health and Social Care
ICT
Photography
Physics
Philosophy and Ethics
Psychology
Science BTEC Level 3
The Extended Project

Year on year, our students excel post 16, making our Sixth Form outstanding in terms of track record of academic success. Exceptional outcomes have been achieved by individual students and also across subject areas. Very many students have exceeded/achieved their target grades including securing A* and A grades. We are delighted to share that some students have achieved A* and A grades across all of the subjects they have taken as well. This is a phenomenal achievement and really well deserved.

The young men and women of Beechwood School are now extremely well positioned to progress on to the next stages in their lives, secure in the knowledge that they can be really proud of all that they have achieved. All can access their university places/careers and fulfil their hopes, dreams and ambitions. We are so proud of them and warmly congratulate them. They achieved so well thanks to the great partnership working that they engaged in with members of staff who, as always, worked tirelessly to secure the best possible outcomes for our young people.

With the uncertainty that was experienced due to the exceptional Covid situation that we were all in, we are delighted that there is now so much to celebrate. A brilliant set of results has been achieved, well deserved by a wonderful group of young people who have really shown what it means to 'be the very best that you can be' – our school motto and the goal for all our young people every day.

Kathleen Higgins
Executive Headteacher
