

## **PRESS RELEASE Year 13 results 2019**

Beechwood School is delighted to share that once again our most senior students have excelled in their public examinations this summer and secured really strong results which positions all to progress to their chosen pathways in the Autumn . 92% of our Year 13 students will be progressing to university and the other students, through choice , are progressing to employment with training and higher level apprenticeships . This is absolutely excellent news and well deserved for a group of young men and women who have worked exceptionally hard to secure success.

Overall in terms of A Level and BTEC Level 3 outcomes 75% of results achieved were at the higher grades of A\* to C with a 97.4% pass rate of A\* to E being secured.

We are also delighted to report that in the following subject areas 100% pass rates were secured :

English Literature

Geography

Media Studies

Philosophy and Ethics

Business Studies

Product and Design

Health and Social Care

Art

Psychology

This is a really impressive performance and we are so proud of our Year 13 young men and women who have much to celebrate as a consequence of their hard work , determination , and commitment. We also know that so much has been achieved thanks to the unwavering support of their families and the exceptional support and guidance provided by members of staff. Our school continues to go from strength to strength with regards to the achievements of our Sixth Formers which is fantastic news.
