

## Beechwood School SEND Report September 2022

<p><b>What types of SEN do we provide for?</b></p>	<p><b>We currently have 166 pupils on the SEN register, 15 of whom have Education Health and Care Plan (EHCPs)</b></p> <p>Specific Learning Difficulties:</p> <ul style="list-style-type: none"> <li>▪ Autism Spectrum Conditions (ASD)</li> <li>▪ Sensory Impairments, e.g. Visual Impairment (VI), Hearing Impairment (HI), etc.</li> <li>▪ Physical Disabilities, e.g. Cerebral Palsy</li> <li>▪ Speech, Language and Communication</li> <li>▪ Social Emotional and Mental Health Difficulties (SEMH)</li> <li>▪ Moderate Learning Difficulty</li> </ul> <p>Our EHCP pupils' needs involve Autism Spectrum Conditions, Physical Disabilities, Speech and Language Support, Moderate Learning Difficulties and Global Delay. Some students have more than one need.</p>
<p><b>What is our approach to teaching pupils with SEND?</b></p>	<p>Beechwood School has a whole school approach to SEND provision. As stated in the SEN Code of Practice 2015, every teacher has a responsibility to provide appropriate support and differentiation to ensure all students and all needs are catered for to make progress possible for all students. The need of children/young people for 'SEN support' is based on the assumption that they are already receiving 'high quality teaching that is differentiated and personalised to meet their individual needs. Provision for our SEND pupils is underpinned by high quality teaching <b>and is compromised by anything less.</b></p> <p>Teachers are responsible and accountable for helping to meet the individual's special educational needs and for following/supporting the school's procedures for identifying, assessing, and making provision to meet those needs. For this reason, each member of staff is provided with SEND strategies in the school's SEND folder, containing detailed information on special educational needs and a range of strategy banks covering different SEND.</p> <p>In addition, all staff have access to a SEND register which contains the records of all SEND students.</p> <p>Teachers are provided with overviews of specific strategies to support students with SEND and given any specific updated strategies via meetings or email, should the needs of an individual pupil change.</p> <p>Both the SEND register and the SEND resources are reviewed and updated termly. We take on a graduated approach for supporting our SEND pupils through using Assess, Plan, Do and Review, which involves the SENDCo, TLAs, Director of Studies, Subject Leaders and subject teachers.</p>

	<p><b>The SENDCo reviews and sets targets three times (IEPs) over the academic year for students on EHC Plans to monitor the progress of each student towards targets and outcomes on EHC Plan.</b></p> <p>In addition, for EHCP students their EHCPs are reviewed annually, which involves input from the student, SENDCo, parents, support staff and subject teachers.</p> <p><b>Teachers and DOS play an important role in sharing, amending and providing additional strategies for support collated by SENDCo.</b></p> <p>Further advice is provided through regular in year training from the SENDCo for new staff (Including ECTs) and SEND induction.</p> <p>The SENDCo co-ordinates support between parents, teachers, external partners (including the Local Authority) and students in order to ensure that we support our students cohesively.</p>
<p><b>Who is our SENDCo and how can he/she be contacted?</b></p>	<p>The School's Inclusion Lead: SENDCo is Mr Kamran Samad  Email: <a href="mailto:k.samad@beechwood.slough.sch.uk">k.samad@beechwood.slough.sch.uk</a>  Tel: 01753 520473</p>
<p><b>How do we identify and assess pupils with SEND?</b></p>	<ul style="list-style-type: none"> <li>• <b>Prior to entry in Y7:</b> we work closely with our feeder schools to identify any new entrants with SEND. The Y7 Director of Study and the SENDCo make school visits to meet any SEND pupils who will be joining Beechwood School and we create transition plans with pupils, primaries and parents which may include an extra transition day in school. The SENDCo also meets with parents of potential entrants to discuss provision.</li> <li>• <b>Upon Entry</b> Cognitive Ability Tests (CAT) testing and reading and spelling tests are used to identify pupils who may have specific learning difficulties on arrival. In Year 7 all subject areas have the students sit a baseline test that is used to track their progress in that subject. Continuous monitoring and regular assessments are used to track progress and identify any specific needs.</li> </ul> <p><b>In general:</b> Where a pupil is not making expected academic progress, teachers can complete a referral form which the Director of Study and the SENDCo will consider and implement appropriate actions. The SENDCo works closely with teachers, parents and Directors of Study to investigate and build a picture of need. Parents may also refer concerns to the SENDCo via email or phone call.</p> <p>Once a picture of need is built, parents are contacted and the appropriate external agencies contacted, if required.</p>

<p><b>How do we adapt our curriculum and learning environment?</b></p>	<p><b>Here are some examples of adjustments that we make:</b></p> <p><b>Specific Learning Difficulty (SpLD):</b></p> <ul style="list-style-type: none"> <li>▪ Adjust background on the SMARTBOARD to dyslexia friendly colours.</li> <li>▪ Coloured Overlays</li> <li>▪ Shared slides and printed handouts</li> <li>▪ Stopwatches for “chunked down” learning to improve focus.</li> <li>▪ Reduced activities</li> <li>▪ Altered Seating Plans</li> <li>▪ Reduced verbal input</li> <li>▪ Visual and practical learning</li> <li>▪ Additional support in making subject choices</li> <li>▪ Subject based interventions – e.g. extra sessions, additional notes, etc.</li> <li>▪ Study skill support</li> <li>▪ Access Arrangements – to support young people taking exams</li> <li>▪ Peer mentoring and subject mentoring support</li> </ul> <p><b>ASD (Autism)</b></p> <ul style="list-style-type: none"> <li>▪ Altered Seating plans</li> <li>▪ Using the pupil’s name when questioning</li> <li>▪ Strategic groupings</li> <li>▪ Task Sheets</li> <li>▪ Time-out cards</li> <li>▪ Stopwatches</li> <li>▪ Teaching and Learning Support Assistant (TLA) support</li> <li>▪ Reduced verbal input, if appropriate.</li> <li>▪ Clearly structured lessons</li> <li>▪ Access Arrangements</li> <li>▪ Social skills support</li> <li>▪ Peer mentoring and subject mentoring support</li> <li>▪ Circle of Friends</li> <li>▪ ELSA Support</li> </ul>
